

Kids in Motion

Kids In Motion is a service provided to families of children with special needs. We are Alyssa, Ashley and Jordyn, three friends with a special place in our hearts for these amazing kids. Kids in Motion is a summer program which provides young adults with fun and safe experiences with their peers.

Outings will take place Monday through Thursday. Each day will host a different type of outing, exposing the kids to a variety of experiences. We have a Monday/Wednesday, Tuesday/Thursday or full week program. Times are 9:00 a.m. – 3:00 p.m. each day. We are happy to say that the cost for 2016 will remain \$50.00 per day, payable day of or weekly if you prefer, and includes: the price of the activity for the day. Lunch, snacks and refreshments are not included and must be provided by the parents. We suggest packing a lunch, a beverage and snacks in a cooler for each day. Extra water will be provided on outings that take place outdoors. On occasion, we will have a lunch event, but you will be notified in advance and informed if there is an extra cost. We look forward to meeting you and your child. Space is limited so sign up early. The Registration fee and all forms are due May 1, 2016.
